WINTER STORAGE LICENSE AGREEMENT

AGREEMENT dated _____ between Pier 53 Marine and _____ (Owner).

WHEREAS, Owner desires winter storage at the Pier 53 Marine for the following boat:

Winter Storage rental shall be $ _____ of which a deposit is due for your reservation. Balance is due upon storage of your vessel.

NOW THEREFORE in consideration of the agreement herein, the parties agree that:

1. Service Shop shall remove boat from water for Pier 53 Marine on _____. (haul out date) or as soon thereafter as possible, shall provide storage for it to the following May 1st, and shall launch it as provided in Section 3. Haul out date shall not be later than November 9, unless other arrangement are made with the Marina Management.

2. Pier 53 Marine shall not be responsible or have any liability for any loss or damage to Boat (including tools, accessories or equipment) or any personal belonging of Owner or other occasioned by theft, fire, cyclone, flood, windstorm, high or low water, or other cause beyond the reasonable control of Pier 53 Marine and Owner shall cover said risks by insurance without any right or subrogation against Pier 53 Marine.

3. Boat will not be launched before all storage, dockage, repair and other charges are paid. All boats must have their launch date scheduled by April 1st. Boats will be launched in approximately the inverse order in which it was stored. An earlier launching will be made, if practical, in the discretion of the Marina; must be moved to make an earlier launching, the cost of such moving shall be paid by Owner. If a later launching is desired, Owner shall pay the cost of moving other boats which may be necessitated thereby and the cost of moving Boat, if required. Vessel's engines must be in working order prior to moving boat to/from storage/dock and with adequate fuel to allow safe movement of vessel. Owner shall pay the cost of repairs and fuel as needed to allow for safe movement of vessel.

4. Wood hull boats must be presoaked prior to launch to minimize swelling time. Owner must be present to remove Boat from lift well after launching and is responsible for keeping Boat afloat. If Boat requires pumps and /or sling time, additional charges will be made.

5. No person, other than the Pier 53 Marine person, owner or captain employed by the year, shall work on Boat at the Marina during the storage period and such work shall be done during regular working hours of the Marina and at the full responsibility of Owner. All persons employed by Owner on Boat shall be acceptable to the Marina.

6. In the event of an emergency, Pier 53 Marine shall have the right to move Boat to any other available location.

7. Owner, his agents employees and guests shall comply with all rules and regulations established by Pier 53 Marine.

8. Electrical and water hookups in storage areas will not necessarily be provided by the Marina. Marina Staff will disconnect electrical cords plugged into unattended boats.

9. Location of Boat in storage area will be at the discretion of the Marina Service Shop.

10. All batteries must be disconnected while Boat is in winter storage.

11. WARNING TO WINTER STORAGE CUSTOMERS: a contract to haul out, store and relaunch boat DOES NOT include draining the plumbing, winterizing engines, generator or mechanical gear, or other protective services unless expressly ordered on a Winter Storage Work Order Form provided by Pier 53 Marine.

12. Habitation on Boat while it is stored in the Marina parking lot is not permitted.

13. All past due accounts will be assessed a 2% per month service charge. 24% annual rate. Outstanding balances must be paid prior to boat being launched in spring.

14. Requested haul out and launch dates are not guaranteed.

I have read and agree to the above terms.
